

Compliance Assistance Program (CAP)

Quickly track compliance
with any regularly scheduled
activity at all work sites

This easy to use application allows
managers to track company
requirements. Setting expectations and
tracking activities to completion is a
proven strategy for results. Our
tools make it easy.

How we do it

Compliance Assistance Program

The CAP application allows managers to easily track scheduled tasks and activities to completion.

Features

- Allows managers to assign tasks and/or activities to be completed at any regularly scheduled time interval:
 - Weekly
 - Monthly
 - Quarterly
 - Semi Annual
 - Annual
 - Multiple Year
- Ability to create specific questions for each different facility type or location
- Managers can assign employees to specific questions for accurate accountability
- Set a specific time-frame in which reports must be completed. No “catching-up” or “working-ahead”
- Work-site managers can add CAP questions that are specific to their operations
- Robust reporting system keeps you on track to get regularly scheduled jobs done on time

About Us

We are consultants and business partners to many of the world's largest chemical, oil and gas, transportation, utility, pharmaceutical, and agriculture companies. Through a transformational approach, we guide clients in evolving both their organizational culture and their operational environment, enabling them to reduce exposures and injuries, save lives, protect assets—and in the process, achieve higher performance.
